

# Dale Chihuly • • • Glassblowing

1941 Tacoma, Washington

Go to "resources" on my teacher website and click on the Dale Chihuly link to answer the following questions.

[www.chihuly.com/](http://www.chihuly.com/)

1. What did Chihuly establish at **Rhode Island School of Design (RISD)** in 1969 and what happened to him when he traveled abroad in 1976? Click on the "chronology" link:

click ► [chronology](#)

2. Describe the glassblowing process by watching the following 4 minute video.

click ► [Video: CBS Early Show](#)

3. What is an installation and why do you think Chihuly likes the team approach to glassblowing instead of working alone?

**installation:**

**team approach vs. working alone:**

4. Research 3 glass series and describe their **form, color and texture:**

baskets –

soft cylinders –

persians –

venetians –

seaforms –

putti –

macchia –

fiori –

ikebana –

niijima floats –

cylinders –

black series –
